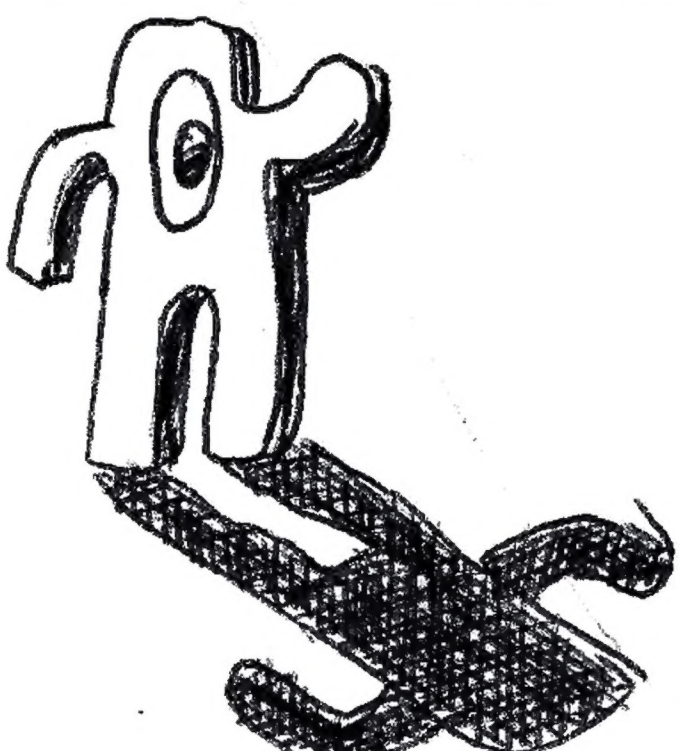
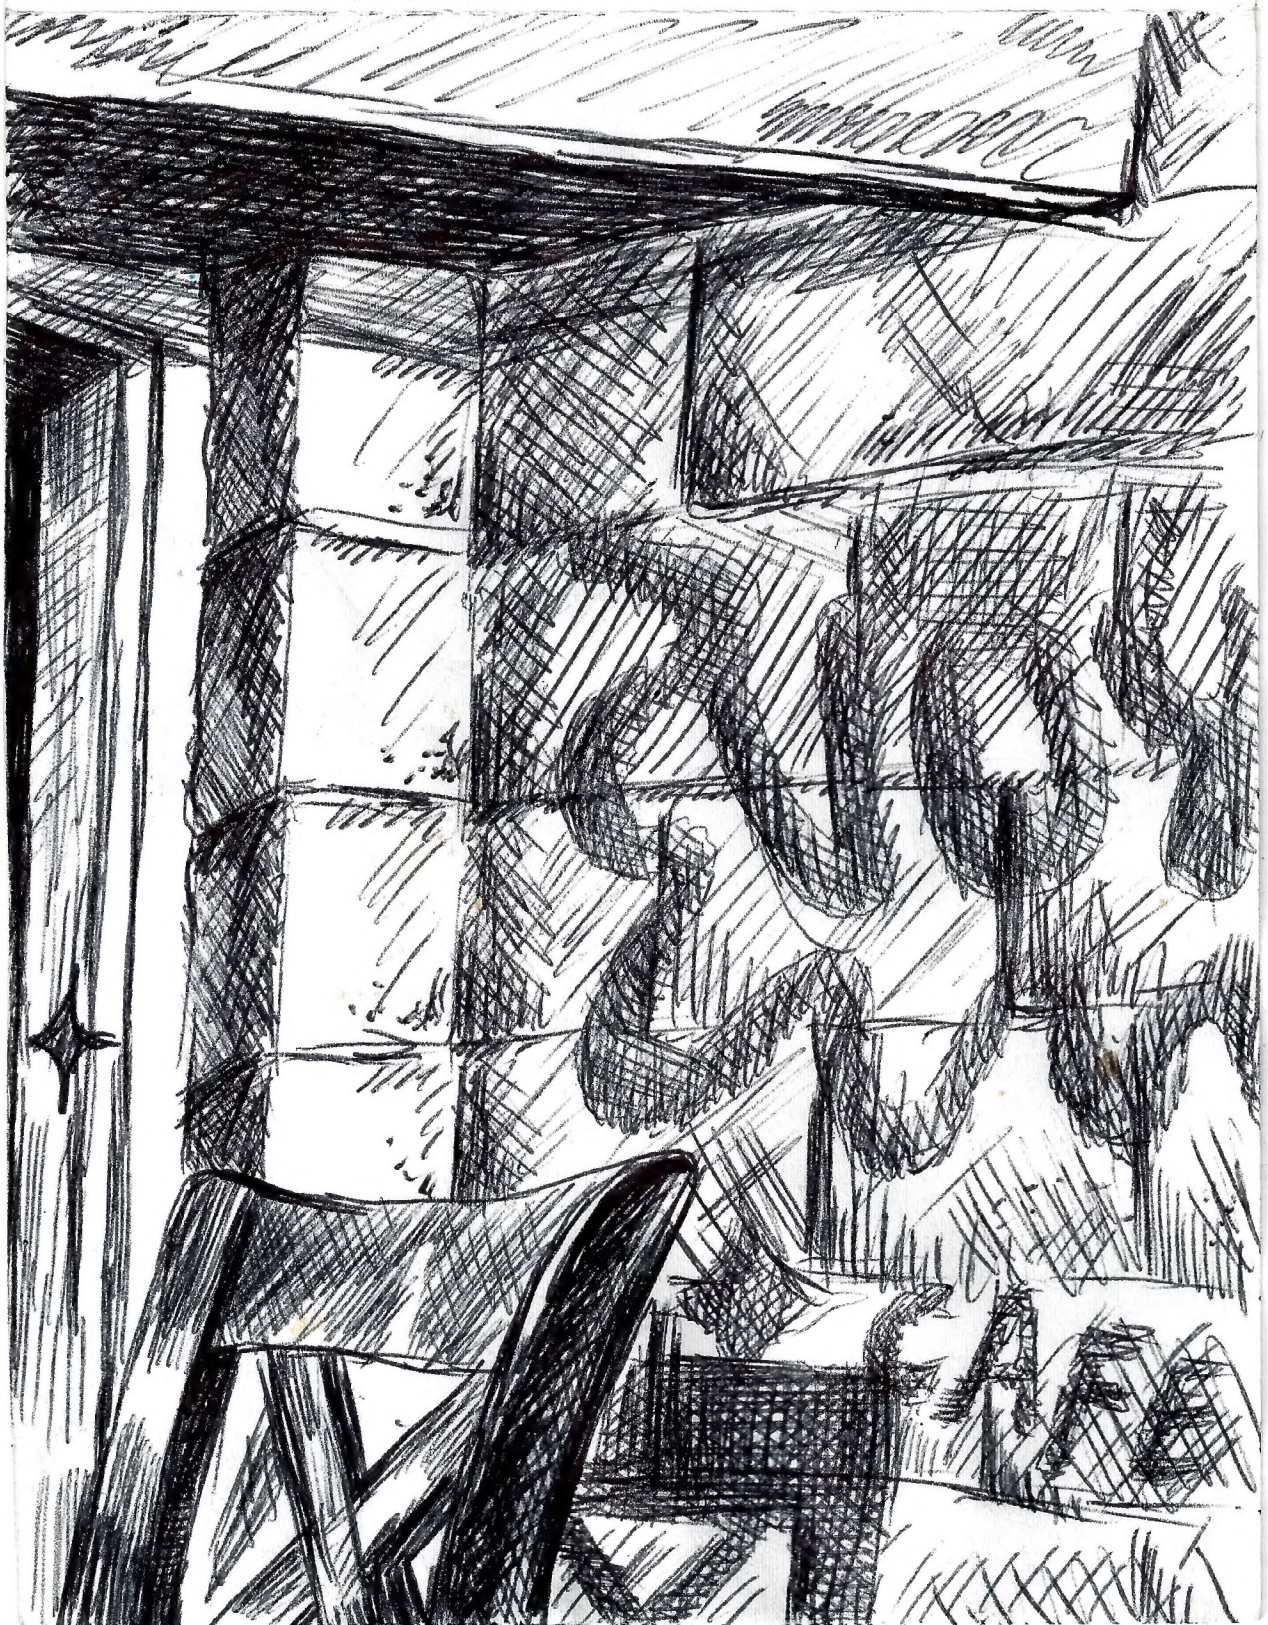
In the Shadows

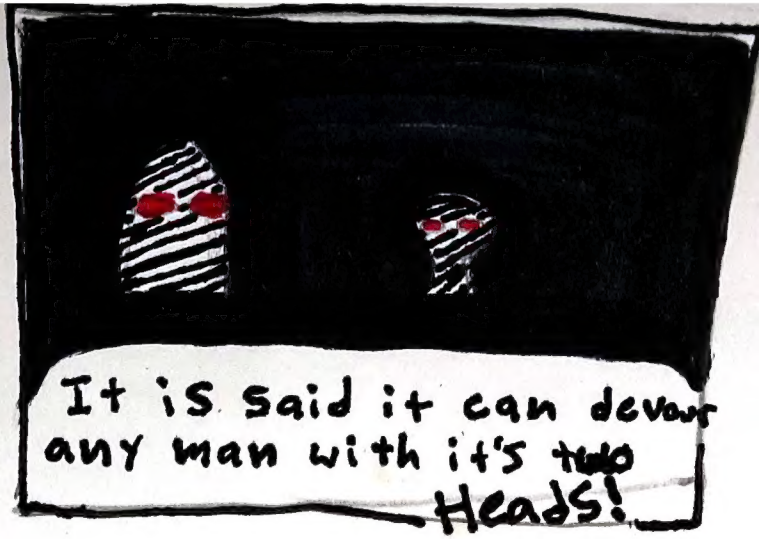


Drawn August 21, 2022 at Le Voyeur

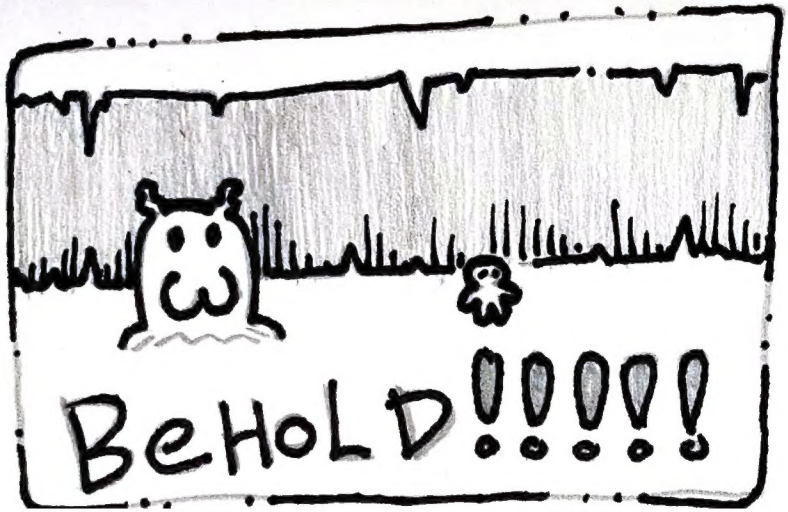


My cats love to rest in the shadows of the bushes. The birds and butterfies keep them entertained.

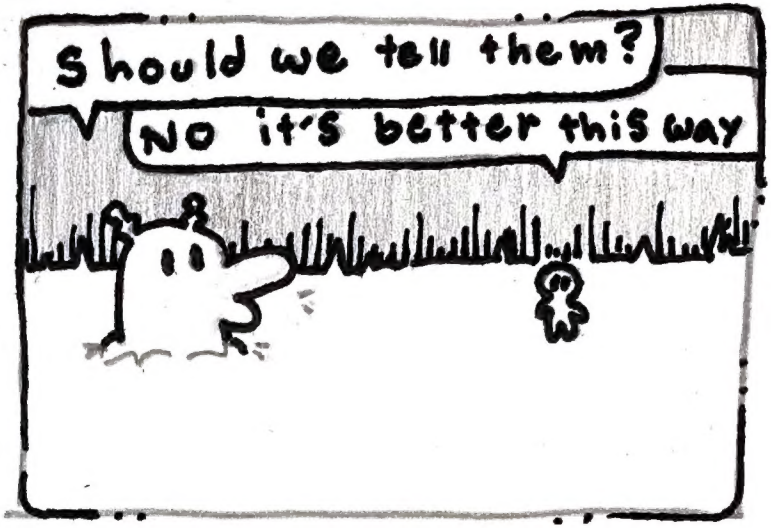
In The Dark Shadowy Depths A Horrible Creature Lurks.....



It is said it can devour any man with it's two Heads!



BeHoLD!!!!!!



Should we tell them?
NO it's better this way

IN THE SHADOWS
YOU EXIST AS BOTH CAPTURED + OBSCURED, THERE + NOT...
YOU FEEL BOTH SAFE + UNSAFE, HIDDEN WITH CONSTANT RISK--
LIGHT + SHADOW DEFINE THROUGH CONTRAST, DANCING A TRUTH.
WHAT IS CAN BE A RESULT OF "ISN'T"
SHADOW ITSELF IS TO BE SOUGHT OUT
BECAUSE THE WHY WE HIDE IS A WHAT-
AND THE WHAT WE HIDE IS A WHO.
